

PARENT TEACHER ASSOCIATION (PTA) MEMBERS

The Parent Teachers Association (PTA) in a CBSE school is a platform for parents and teachers to work together to improve the school and the education of its students. The PTA's main goal is to ensure that the school provides the best learning experience for students.

Here are some things to know about the PTA in a CBSE school:

- **Membership**

Every parent is a member of the PTA, and the PTA elects its Executive Committee from among the parents.

- **Composition**

The PTA typically includes:

- At least 50% female members
- Two parent representatives from each stage of schooling
- One teacher nominated by the school principal from each level of schooling
- One special invitee with expertise in a school-related field
- One representative from the school management

- **Meetings**

The PTA Executive Committee meets at least once every two months, and all members are notified in advance of the meeting. The minutes of the meeting are recorded and displayed on the school's notice board.

- **Benefits**

The PTA helps teachers understand students from the parents' perspective, and vice versa. It also helps parents learn about the school's functioning and any problems.
